*"A Better Chance
for a Better Future"*

Founded in 1972, the Rochester "A Better Chance" Foundation (RBC) is one of 25 community school programs across the nation and one of four programs in Minnesota. Rochester A Better Chance provides bright, talented and aspiring minority candidates with a mentoring and nurturing home environment, optimizing their opportunities to excel in school and community settings. This prepares them for an excellent college education and future leadership opportunities. RBC has enabled more than 100 students to graduate from John Marshall High School with a 3.0 GPA or higher.
